

HORNETSECURITY

MAKE YOUR YEAR-END

Advent-ageous

What a year we have had at Hornetsecurity with exciting launches including Multi-Tenant Manager and now, DMARC Manager. **Thank you for doing your part!**

As we approach the festive season, we're excited to share another Advent-ageous opportunity for you to close the year on a high note.

For the next 30 business days leading up to the end of the year, Hornetsecurity is offering a special incentive: **for each new partner you sign up during this period, you'll receive £100 or €100!***

And there's more! Santa Viral will be sharing some extra pre-Christmas love: **the top distributor who signs up a partner that goes on to bank the highest revenue by 31 December 2024 (using the Advent-ageous tracking link) will be rewarded with an additional £500 or €500!**

This is our way of showing our appreciation and helping you start the new year with new partners to engage. **I'll be calling each of you to explain the Advent-ageous Reward Promo in detail and to secure your buy in.**

Here's your chance to make your December truly rewarding!

Warm regards,

Viral, Sharon & Marcel
